

DISCOUNT TICKETS FOR WEA MEMBERS AND THEIR FAMILIES

NEW for the 2009/2010 Season - Online Voucher Purchases!

In order to simplify the purchase of discount ski tickets for WEA members, Mt. Rose has made it possible for you to purchase your discount vouchers online anytime of day or night! This means no more coming to the WEA office with cash or a check – you can print your tickets Saturday morning before you hit the slopes! With the new e-ticketing program in place, **discounts have been expanded to allow discount pricing on adult, teen, child, senior, and super senior lift tickets.** And, Mt. Rose corporate lift tickets are not date-specific, so you can buy now and ski later! Good **EVERY SINGLE DAY** of the 2009-2010 season, Mt. Rose allows you to ski at a discount even when all other specials and discounts are “blacked out!”

Adult (18-64): \$50
Teen (13-17): \$45

Questions?

On weekdays contact Chelsea Wesnousky, WEA Office Manager, at 775-828-3026 or cwesnousky@washoe.k12.nv.us during regular business hours of 8:30 to 4:30.
On weekends, contact Krista Haggott, Mt. Rose Sales Manager, at 775-849-0704 ext. 234 or kh@skirose.com.

Please note that unlike previous years' discounts, these discount tickets are **NOT RETURNABLE**. However, because you can purchase them the day you wish to use them, without worrying about coming to the WEA for office hours, there isn't any need to stockpile as there was before - and the price won't go up all season!
